FAMA Introduction

In it's 65 year history, Fama has built up a strong reputation as one one of the top manufacturers of food prep and cooking equipment in Europe.

With products produced in their state-of-the-art factory in northern Italy, Fama ensure only the highest quality components are used, which combined with class-leading design, innovation and expertise, mean the end results is of the highest standard.

With Spare parts readily available in the UK, this Italian range is perfect for any professional kitchen or café.

Our range includes: Drink mixers, electric fryers, crepe makers, contact grills, conveyor toasters, veg prep machines, stick blenders, gravity feed slicers, meat mincers, mozzarella cutters and cheese graters.

Each unit includes a 1 year parts and labour warranty as standard. Available with free 1-2 working days delivery.
