

Ref: **FABY-1/AB**
Black Line
Granita & sorbet machine-distributor,
1x10 Lt.

Your professional partner

Brand : DIAMOND

- LED type light (patented)
- Possible to insert advertising images, protection made of transparent plexiglas
- Protected controls, with one inspection wicket
- Polycarbonate vats, ABS lid, with a measuring tap, entirely dismountable for an easier maintenance.
- Refrigeration evaporator in stainless steel AISI 304.
- Condenser R404A.
- Temperature maintenance device for night time.

PLUS:

Fresh, creamy, the "Italian" Sorbet served inside a glass now belongs to the "Dolce Vita". A subtle by-product of homemade ice cream, to enjoy at any moment of the day. Thanks to our Diamond machines, you can also serve refreshing Granitas or original yoghurts with the tastes you prefer!
