FKG311

FKG311

Functional with many features

FKG 311 is not only suitable for bottles, as items of food also can be hygienically and conveniently stored in this cooler with its strong, stable, adjustable shelves. With features such as automatic defrosting and adjustable wire shelves, the cooler is a functional unit ideal for sandwich bars, kiosks and service stations. FKG 311 is a smaller version of FKG311, but has the same features.

- 🔧 **Adjustable feet**
- 🔧 **Adjustable thermostat**
- 💡 **Interior light**
- ❄️ **Automatic Defrost**
