

myPRO Smart Professional Washer

Especially designed for small businesses.

The machine with a Professional heart and a Green soul on a sensible budget boasting benefits from the professional design

Benefits and features

- ▶ **Superb capacity and performance:**
 - Process all laundry in one go thanks to generous 8 kg capacity
 - Best wash results and garment care due to unique professional drum with 4.5 mm holes for efficient evacuation of debris (standard 2.2 mm)
 - Save money and energy: the Smart Professional Washer with A+++
 - Time and cost savings in drying with moisture extraction at 1,400 rpm
- ▶ **Up to 50% faster¹ and easy to use:**
 - Meet every need with professional programs, from energy-efficient and mild to disinfection and mop programs
 - Save time: normal 60 °C programs take 82 minutes (starting with cold water at 15 °C)
 - Reduce cycle time by an extra 12 minutes by using the hot water inlet
 - Flexible installation thanks to smart drain pump configuration
- ▶ **Triple the lifetime²:**
 - Extra long lifetime due to durable construction with professional components
 - Less vibration thanks to highly effective shock absorbance system and optimally balanced components and panelling
 - No chemical corrosion: stainless steel front and top
 - Trouble-free operation due to gravity drain valve model for the most demanding applications²
- ▶ **24 month warranty**

Perfect for small businesses such as

- Small hotels and bed & breakfasts
- Small restaurants
- Hairdressing and beauty salons
- Sport and fitness clubs
- Office cleaning companies
- Out-of-home resident services
- Restaurant chains/franchise and more

The Smart Professional Washer with A+++

¹ Compared to domestic machines

² Life facility management and elderly care

Accessories

- ▶ **Pedestal**
- ▶ **Stacking kit**
